The Luckily/ Unluckily Tall Story

You will need:

A fun Story-Stick, which you hand to the other person when it's their turn to keep the story going.

Time-keeper.

Time limit: 3 minutes for ALL story.

Try this in a group of 2-3, even on Skype.

Person 1, starts with:

We all have embarrassing moments.

Mine was when....

Luckily, I...

Person 2 adds: Unluckily....to start the next sentence.

And hands the stick on...

LUCKILY

UNLUCKILY etc

Keep adding to the tall story

Alternate between Luckily and Unluckily.

When the 3 minute limit is reached, the last speaker has to think of a really good ending. Optional to write up.

It was all a dream is BANNED.
