Encouraging Writing & Friendships Within the Book World.

The generosity of this author shines through in such a quiet manner. Hazel Edwards gives of her time all the time. Reading to children , travelling and encouraging writing and friendships with-in the book world.

This book threads many parts of Hazel's work and travels. Chapter 21 about Antarctica is my favourite.

Hazel is a force of nature as is her story a must read for all of us. Long may she keep writing.
